Future works:

The brickwork façade will continue to be installed to all elevations with deliveries being unloaded in Peter Street, which will continue to remain closed to general traffic from 8am to 6pm.

Minor demolition works to the east basement and west basement are scheduled to be completed in mid July 2018. Westminster City Council's approved noisy working hours of two hours on and two hours off from 8am to 6pm will be utilised to carry out this work.

An application has been made for a road closure on Brewer Street from 6am to 6pm on Saturday 28 July 2018 to erect a mobile crane for installation of glass panels on Brewer Street and Walker's Court. Subsequent Saturday dates will be held for this work in case of unpleasant weather.
